APPLICATION INFORMATION/INSTRUCTIONS

1. In accordance with the Motor Carrier Safety Improvement Act of 1999, you must provide the names and driver's license numbers (if known) of all States where you have previously been licensed to drive any type of motor vehicle during the previous 10 years. If there is not enough room, attach additional information on white paper. Include your current Pennsylvania driver's license number and your full name. PennDOT will review the driver histories from States listed and may assess sanctions, if required.
2. RENEWAL FEE:
 - The amount listed applies whether you already have a PA CDL, or if you are currently a licensed PA non-commercial driver upgrading to a CDL.
 - **If you already have a CDL with a hazardous materials endorsement**, please call 800-932-4600 or 717-412-5300 prior to renewing on this form. Federal regulations in support of the USA PATRIOT Act may affect your renewal. If recertification testing and/or Federal clearance is not complete, you could be decertified.
3. ORGAN DONATION AWARENESS TRUST FUND (ODTF): You have the opportunity to contribute \$1.00 to the Fund. The additional \$1.00 must be added and included in your payment. You must also check the block provided to ensure proper handling of your contribution. The ODTF provides for the development and implementation of donor awareness programs and funds shall be appropriated subject to the approval of the Governor.
4. INCREASE FEE:
 - A CDL costs \$10.00 more per year than a non-commercial license. Pay the appropriate increase fee if you are currently licensed as a non-commercial driver. If you already have a PA CDL, you do not have to pay an increase fee.
 - To calculate the number of months to use for your increase fee, look at your current license. Count the current month up to and including the month your license expires. EXAMPLE: If the current month is May, and your license expires in July, you would use 3 months for your required increase fee. If your license expires in:

0-6 Months.....	Don't pay an increase fee. Your annual fee is contained in the renewal fee.	
7-12 Months.....	\$10.00 is due	25-36 Months \$30.00 is due
13-24 Months.....	\$20.00 is due	37-48 Months \$40.00 is due
5. HAZMAT FEE:
 - The fee is required for the original issuance or renewal of a CDL with an "H" or "X" endorsement. Include this fee if:
 - You have applied for a Hazardous Materials permit, regardless of your existing class of license, or
 - You are already a CDL driver with an "H" or "X" endorsement on your license and you are renewing with this form. (You must have passed your HAZMAT recertification prior to renewing your CDL or you will be decertified.)
 - Federal regulations issued in support of the USA PATRIOT Act affect drivers wishing to obtain or retain a hazardous materials endorsement. At the time you pass your Hazardous Materials Knowledge Test, you will additionally need to provide proof of US citizenship or appropriate immigration status, complete form DL-288, pay additional fees, submit fingerprints and undergo successful completion of a Federal criminal history background check. For more information, please visit our Web site at www.dmv.state.pa.us.
6. PHOTO FEE:
 - Except as noted below, all applications require a photo fee. When you pass your permit test(s), you will receive a new license reflecting your new status.
 - You do not need to pay a photo fee if you have previously been issued a CDL permit for the exact same categories you are applying for on this application. EXAMPLE: You previously received a CDL permit for Class B and a P Endorsement, but did not successfully pass testing. On this application, you again apply only for a Class B and a P Endorsement. In this example, no photo fee would be due.
7. Application must be forwarded with check made payable to PennDOT to: Bureau of Driver Licensing, P.O. Box 68272, Harrisburg, PA 17106-8272
